Sorry, I've had a few other required things today and did not get to it last night. Here are my minimal but important comments. Thanks for sending it this way.

Kathy – any feedback? You reviewed before proposal, and I really need to get these to HW, so unless I hear from you soon to wait I'm sending this chapter over. Nick and Rose have both reviewed.

I'll try but it may be tomorrow Friday. Is that what you meant sending it in the wee hours of the morning?

Hi all,

Sorry I should have passed this along earlier, but as I was reviewing this week I realized this chapter would benefit from your review. Can you take a look at this by COB tomorrow and send me an email as soon as you've reviewed?

Note for Kathy: this reflects your review preproposal so I think it will be a quick skim.

Thanks,

Damaris
